ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: Life, accident, and health insurance plans, sick leave, pension plans, civic and personal leave, severance pay, and savings and thrift plans. Minimum employer contributions costing an average of \$3.81 per hour computed on the basis of all hours worked by service employees employed on the contract.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; and 4 weeks after 3 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year, New Year's Day, Martin Luther King Jr's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

- (1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;
- (2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;
- (3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or
- (4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am.

If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving regrading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition, April 2006, unless otherwise indicated. Copies of the Directory are available on the Internet. A link to the Directory may be found on the WHD home page at <http://www.dol.gov/esa/whd/> or through the Wage Determinations On-Line (WDOL) Web site at <http://wdol.gov/>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1444 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es)

of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. {See Section 4.6 (C) (vi)} When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
 - 2) After contract award, the contractor prepares a written report listing in order proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
 - 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).
 - 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.
 - 5) The contracting officer transmits the Wage and Hour decision to the contractor.
 - 6) The contractor informs the affected employees.
- Information required by the Regulations must be submitted on SF 1444 or bond paper.
- When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.

(2 GAR, Div. 4 § 3116)

[X] 16. STANDARD FOR DETERMINATION OF LOWEST RESPONSIBLE BIDDER:

In determining the lowest responsible offer, the Chief Procurement Officer shall be guided by the following:

[X] 18. BRAND NAMES: Any reference in the Solicitation to manufacturer's Brand Names and number is due to lack of a satisfactory specification of commodity description. Such preference is intended to be descriptive, but not restrictive and for the sole purpose of indicating prospective bidders a description of the article or services that will be satisfactory. Bids on comparable items will be considered provided the bidder clearly states in his bid the exact articles he is offering and how it differs from the original specification.

Rejection of the Bid will be required if the descriptive literature(s) do not show that the product(s) offered conform(s) to the specifications and other requirements of this solicitation. Failure to furnish the sample(s) by the time specified in the Solicitation will require rejection of the Bid.

The Chief Procurement Officer shall have the authority to award, cancel, or reject bids, in whole or in part for any one or more items if he determines it is in the public interest. Award issued to the lowest responsible bidder within the specified time for acceptance as indicated in the solicitation, results in a bidding contract without further action by either party. In case of a error in the extension of prices, unit price will govern. It is the policy of the Government to award contracts to qualified local bidders. The Government reserves the right to increase or decrease the quantity of the items for award and make additional awards for the same type items and the vendor agrees to such modifications and additional awards based on the bid prices for a period of thirty (30) days after original award. SECTION II
CONTRACT TERM

The term of this Contract shall commence upon the execution hereof and continue for one (1) year with annual options to renew for one (1) additional year each, not to exceed a total contract period of two (2) years with the Office's approval, based upon availability of funds. Any reference to year in this Agreement shall mean a twelve (12) month period. This Agreement may be terminated by either party upon thirty (30) day's written notice.

SECTION III
COMPENSATION

SECTION IV
COMPLIANCE WITH LAWS AND REGULATIONS

In performing the work provided for herein, Bidder agrees to fully comply with any and all applicable laws, rules, and regulations adopted or promulgated by any governmental agency or regulatory body, both territorial and federal, including but not limited to HIPAA and ADA. Bidder assumes full responsibility for the payment of all contributions, payroll taxes, or assessments, territorial or federal, and further agrees to meet all requirements that may be specified under regulations of administrative officials bodies charged with enforcement of any territory or federal laws on this subject.

SECTION V
ACCESS TO RECORDS

Bidder shall maintain all books, documents, papers, accounting records, and other evidence concerning the expenses and costs incurred by Bidder's performance and shall make such material available to DYA or its designee(s) for inspection and copying upon request during the term of this Agreement.

SECTION VI
FINAL PAYMENT AND RELEASE OF CLAIMS

Final payment shall be made upon satisfactory delivery and acceptance of all services as herein specified and performed under this Agreement. Prior to final payment as a condition precedent thereto, Bidder shall execute and deliver to DYA a release, in a form approved by DYA, of claims against DYA arising under virtue of this Agreement

SECTION VII
INDEPENDENT AGENT

For the purpose of the Government Claims Act, Public Law 17-29, bidder shall not be considered an agent of the Government of Guam with respect to any acts performed by it in connection with the discharge of the duties of this contract. There shall be no employee benefits provided under this contract, such as health or life insurance, retirement benefits, vacation leave or sick leave, and there shall be no withholding of taxes by DYA. Bidder contracts herein with DYA as an independent contractor; and is neither an employee nor an agent of DYA for the purpose of performing the services hereunder. DYA, therefore, assumes no responsibility for the acts of the Bidder which are performed in its independent and professional capacity.

SECTION VIII
RESPONSIBILITY OF BIDDER

Bidder shall be responsible for all work and the materials furnished under this contract. Bidder shall, without additional cost to the Office, correct or revise all errors or deficiencies in his/her work. DYA's review, approval, acceptance of, and payment of fees for services required under this contract, shall not be construed to operate as a waiver of any rights under this contract or of any cause of action arising out of Bidder's failure to DYA for all costs of any kind which may be incurred by DYA as a result of Bidder's negligent performance of any of the services performed under this contract.

SECTION IX

ASSIGNMENT OF AGREEMENT

Bidder may not assign this Agreement, or any sum becoming due under the provisions of this Agreement without the prior written consent of the Department of Youth Affairs.

SECTION X

GENERAL COMPLIANCE WITH LAWS

Bidder shall be required to comply with all Federal and Territorial laws and ordinances applicable to this work. Bidder has provided DYA with a copy of its Statement of Exemption pursuant to Section 1624 of the Government Code.

SECTION XI

ACCESS TO RECORDS AND OTHER REVIEW

Bidder, including its subcontractors, if any, shall maintain all books, documents, papers, accounting records and other evidence operating to costs incurred and to make such materials available at its respective offices at all reasonable times during the contract period and for three (3) years from the date of the final payment under the contract, for inspection by DYA. Each subcontract by Bidder pursuant to this Agreement shall include a provision containing the conditions of this Section.

SECTION XII

OWNERSHIP OF DOCUMENTS

All documents, reports and other incidental work of Bidder or materials furnished hereunder shall be and remain the property of DYA including all publication rights and copyright interests, and may be used by the Department of Youth Affairs without any additional costs to DYA.

SECTION XIII

INDEMNITY

Bidder agrees to save and hold harmless DYA, its officers, agents, representatives, successors and assigns and other governmental agencies from any and all suits or actions of every nature and kind, which may be brought from or on account of any injury, death, or damage arising or growing out of the acts or omissions of Bidder, its officers, agents, servants or employees under this Agreement.

SECTION XIV

CHANGE IN SCOPE OF WORK AND SERVICES

The Department of Youth Affairs may, at any time, by written order, make changes to the general scope of this contract in the services to be performed. Bidder shall not make any changes to the general scope without the written approval of the DYA.

If such changes cause an increase or decrease in Bidder's cost of, or time required for, performance of any services under this Agreement, the Agreement shall be modified in writing accordingly. Any claim for adjustment under this section must be made in writing to DYA within thirty (30) days from the date of receipt by Bidder of the notification of change; provided, however, DYA, if it determines the facts justify such action, may receive and consider and adjust any such claim asserted at any time prior to the date of final settlement of the Agreement. Nothing provided in this section shall excuse Bidder from diligently proceeding with the works so charged.

If Bidder believes that a change in the scope of services is necessary and desirable to the furtherance of the interest of the project under this Agreement, Bidder shall make a request, in writing, for DYA to issue a Change Order. Such requests for Change Order shall include the proposed change in scope of services, as well as the proposed change in compensation and/or schedule associated with granting such a Change Order. DYA shall, in response to such requests for Change order, utilize the same options as stated above.

**SECTION XV

Either of the parties hereto may, by written notice to the other, terminate this Agreement in whole or in part upon thirty (30) days written notice either for convenience or default. Upon such termination, all briefs, reports, summaries, completed work and work in progress, and such other information and materials as may have been accumulated by Bidder in performing this Agreement shall, in the manner to the extent determined by DYA, become the property of and be delivered to the Department of Youth Affairs. If the contract is terminated by Bidder or by DYA for cause, prior to its completion, Bidder shall reimburse DYA for any travel costs associated with this contract and DYA may retain as set-off for such expenses any funds owed to Bidder in DYA's possession.

**SECTION XVI
SEVERABLE PROVISIONS**

If any provision of this Agreement shall be deemed by a court of competent jurisdiction to be invalid, then such provision shall be deemed stricken from the agreement and the agreement shall be enforced according to its valid and subsisting terms and provisions.

Venue of any action brought under this Agreement shall lie in the Island of Guam exclusively. This Agreement shall be governed by and construed in accordance with the laws and court decision of the Island of Guam.

**SECTION XVIII
OFFICE NOT LIABLE**

Should any possible conflict of interest arise, Bidder agrees not to disclose or otherwise use any matters learned from DYA to the disadvantage of the Department of Youth Affairs

**SECTION XXI
INTEREST OF THE BIDDER**

Bidder covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Bidder further covenants that in the performance of this Agreement, no person having such interest shall be employed.

**SECTION XXII
GUAM TAX**

Bidder is responsible for payment of all applicable Guam Taxes.

SECTION XXIII
NO WAIVER OF LEGAL RIGHTS

No waiver of any breach of the Agreement shall be held to be a waiver of any other or subsequent breach, or of any right that DYA may have for damages. Each party reserves the right to correct any error that may be discovered in any invoice that may have been paid to Bidder and to adjust the same to meet the requirements of the Agreement.

SECTION XXIV
SUCCESSORS AND ASSIGNS

Subject to the limitations on assignment and transfer herein contained, this Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective successors and assigns.

SECTION XXV
BREACH OF CONTRACT TERMS

Any violation or breach of terms of this contract on the part of Bidder or its subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this Agreement. The duties and obligations imposed by this Agreement and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights, and remedies otherwise imposed or available by law.

SECTION XXVI
COVENANT AGAINST CONTINGENT FEES

Bidder warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Bidder to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Bidder, any fee, commission, percentage, brokerage fee, gifts or any other consideration, contingent upon or resulting from the award or making of this Agreement.

SECTION XXVII

All information, data, reports, and records as are existing, available, and in the Department of Youth Affairs custody, and necessary for the carrying out of the services shall be furnished to Bidder without charge by DYA, and DYA shall cooperate with Bidder in every reasonable way during all phases of the project. Bidder hereby agrees to indemnify and hold DYA harmless from any losses, damages, costs, claims, suits and judgments, expenses of any nature or kind, including attorney's fees, arising from any defects or failures attributable to Bidder's unreasonable or imprudent reliance on the aforementioned documents.

SECTION XXVIII
WARRANTY AGAINST EMPLOYMENT
OF SEX OFFENDERS (PUBLIC LAW 28-98:2)

Bidder warrants that no person providing services on behalf of Bidder has been convicted as a sex offense under the provisions of Chapter 25 of Title 9 GCA or an offense as defined in Article 2 of Chapter 28, Title 9 GCA, or an offense in another jurisdiction with, at a minimum, the same element as such offenses, or who is listed on the Sex Offender Registry.

If any person providing services on behalf of Bidder is convicted of a sex offense under the provisions of Chapter 25 of Title 9 GCA or an offense as defined in article 2 of Chapter 28, Title 9 GCA or an offense in another jurisdiction with, at minimum, the same elements as such offenses, or who is listed on the Sex Offender Registry, that such person will immediately be removed from working at said agency and that the administrator of said agency be informed of such within twenty-four (24) hours of such conviction.
