Questions submitted by Triple J dated August 1, 2016

- Inquiry 1:** Request to change of delivery time from 45 days to 180 days, due to this time of year, production schedules for Special Order Vehicles. This requires a special order since the bed size requested is 6 feet in Length vs. the normal size of CrewCab model trucks which is 5.5 ft.
- Response:** No change in Delivery Requirement for Trucks.
- Inquiry 2:** Is Bed Size of 5.5 ft for the Trucks, acceptable?
- Response:** See Amendment no. 3.

Questions submitted by Nissan Guam dated August 1, 2016

Inquiry 1:

I have a question on Amendment #1:

a. Item #2: Amend to include/add the following attached pages: a) Page 32 thru 36.,

The original Bid was for 3 ea: Pick-up Truck 4x4 Crew Cab (latest Model) Destination: Dept. of Land Management. Is this Amendment a continuation from the Original Bid to add on 1 Pick-up Truck 4x4 From Page 29 to page 31 and then add on Page 32 to page 35. Destination: Guam Regional Transit Authority.

Response: Amendment no. 2 is to add pages 32 thru 36, which adds Item no. 2.1 for 1 ea. Pick-Up Truck with Utility Trailer for GRTA.

b. Item #3: Amend to replace Pages 30 thru 34 of 34. Page 32 thru 36. Is item #3 to supersede Item #2? To replace the original Bid of 3 Pick-up Truck : Description on Page 29 to page 31 of 31 on Original Bid?

Response: Item #3 of Amendment no. 2 should have read: To replace "Pages 30 & 31 of 31" from the original bid package with Revised 7/28/16 Pages 30 & 31

Inquiry 2:

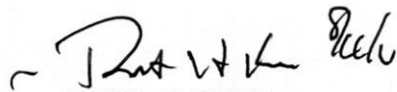

Please clarify Bid # GSA-077-16: Is this for 4 Pick-up Trucks to include Amend #2 or is to replace The 4 Pick-up Trucks to one Pick-up Truck as noted on Item #3?

Response:

This bid is for:

Item 1.2: 3 ea. PickUp Truck, 4x4 Crew Cab, Latest Model (see specifications)

Item 2.1: 1 ea. PickUp Truck, 4x4 Crew Cab with Utility Trailer, Latest Model (see specifications)
