## **NOTICE TO PARTICIPATING FINANCIAL INSTITUTIONS**

The Office of the Treasurer of Guam requests that financial institutions notify their members, customers and the Treasurer of Guam's Office of any institution-specific closures that may affect the timely availability of payroll direct deposits.

While the Government of Guam processes payroll according to its established schedule, deposits may not be available until the next business day when a financial institution is closed on the scheduled settlement date.

To avoid confusion and inconvenience, we encourage financial institutions to communicate any anticipated delays directly to affected members and customers.

Thank you for your cooperation.

Sincerely,

**Maryann T. San Nicolas**  
**Treasurer of Guam**
